FCSS Mandate Alignment

The FCSS Regulation states that services provided under a program must be of preventative in nature that enhances the social well-being of individuals and families through promotion or intervention strategies provided at the earliest opportunity, and do one or more of the following:

- help people develop independence, strengthen coping skills and become more resistant to crisis
- help people to develop an awareness of social needs
- help people to develop interpersonal and group skills which enhance constructive relationships among people
- help people and communities to assume responsibility for decisions and actions which affect them
- provide supports that help sustain people as active participants in the community

From the 5 points above which best aligns with your program?

How does your program meet the FCSS mandate of providing preventative social services?
