

## Lagoon Project Site Visit Invitation

Please join Council, Administration, and White Fox Group, and MPE Engineering for an educational tour at the lagoon. Learn about the construction project firsthand and see the progress we have made since the July site tour as the project is nearly complete.

**WHO** Everyone welcome

**WHAT** Lagoon Project Site Visit and Educational Session

**WHEN** November 8, 2021, at 9:30 a.m. sharp – it's a go rain, shine, wind, or snow.

**WHERE** Meet us at the entrance to the anaerobic cells (see map on the back of this page). **Do NOT enter the site without being escorted by Town Administration and White Fox Group.**

**WHY** This is a follow-up educational session from July to see the progress we have made. The project is nearly complete and must be seen to be appreciated.

**REQUIREMENTS** Those that wish to attend **must wear a reflective vest and have closed toed footwear. This is an active work site. A safety orientation will take place and you will be required to sign a liability waiver before going onsite.**

*This is an invitation to learn about the project. After the site visit, you will not be permitted to be onsite and must leave immediately following the event.*

- If you do not have a reflective vest, reflective tape will be available.
- We will be walking on uneven ground. Please ensure you have proper mobility aids if necessary.
- This is a standing/walking event - chairs will not be provided.

Enter the site off the old TransCanada highway driving east past Range Road 183 towards Highway 1. Look for Town vehicles and an entrance arrow at 9:30 a.m. on November 8, 2021, for the Bassano Lagoon Project Site Tour.
