Bassano Celebrates Small Business Week October 19th, 2017

Small Business Week is a national celebration of Canadian [entrepreneurs](#) and their contribution to [Canada's](#) economy. The [Business Development Bank of Canada](#) (BDC) has been organizing Small Business Week for 37 years.^[1] It takes place every year during the third full week of October. Events held during the week bring together entrepreneurs—and prospective entrepreneurs—at conferences, workshops, luncheons and trade fairs across Canada.^[2] The goal is to provide them with opportunities to learn, network, share ideas and socialize with their peers.

This year the Town of Bassano is hosting a Small Business Social Thursday, October 19th at 7:00 at the Community Hall. Along with light refreshments, there will be presentations highlighting the past, present and future of our local businesses. Marilyn MacArthur, Community Development Officer notes that there will be three streams to the event. “The past of Bassano is exciting, and that history has been captured in a report “The Evolution of Bassano Business – 1883 to the Present” – documenting the changes in Bassano’s Business Community to illustrate the changing nature of industry as a reflection of the evolution of industry in the Rural Southern Alberta. Present Bassano will highlight the outcome of this summer’s Business Walk, and a special guest speaker will be addressing attendees on Making Your Community Great. Chris Field, will bring his “Aim High Presentation – 5 Ways to Leap the Hurdles That Stand in the Way of Exceptional People and Places.” Chris is in high demand as the Senior Strategist, 13 Ways Inc. You won’t want to miss this!

Tickets will be on sale starting September 25th, \$10 per person, so bring your co-workers, employees and family to enjoy this celebration.

Contact Marilyn MacArthur, Community Development Officer for more details or to book a table today.

We Are Bassano!

It takes a team to keep our community looking great – to this end a new initiative **“We Are Bassano”** has been born – with the goal of polishing up and making attractive our great little community.

Weeds, trash, and abandoned machinery & vehicles all detract from our Town – and citizens agree this needs tidying up! A group of volunteers working in cooperation with the Town of Bassano, with the support of Council, are willing to pitch in and help businesses and citizens to create

an attractive living environment for residents that we can be proud of.

If you are interested in volunteering, contact Stu Heron at 403-641-3971 or Marjam Janzen ta 403-641-4877.

Working as a Team we can do it – Remember this is your town!

We Are Bassano!
