3. FIRE SERVICE

- 3.1 The Council hereby established the Bassano Fire Department for the purpose of:
- 3.1.1 Preventing and extinguishing Fires;
 - 3.1.2 Investigating the cause of Fires as applicable;
 - 3.1.3 Preserving life and property and protecting persons and property from injury or destruction by Fire;
 - 3.1.4 Providing rescue and related emergency services;
 - 3.1.5 Preventing, combating and controlling Incidents;
 - 3.1.6 Carrying out preventative inspections and patrols;
 - 3.1.7 Fulfilling approved agreements with other municipalities or persons with respect to Fire Protection;
 - 3.1.8 Operating Apparatus and Equipment for extinguishing Fires or preserving life and Property;
 - 3.1.9 Controlling and mitigating Incidents relating to Dangerous Goods Products; and
 - 3.1.10 Otherwise providing Fire Protection services.

4. FIRE CHIEF

- 4.1 The Fire Chief shall be appointed by the council of the town as recommended by the CAO, Member of Fire & Emergency Services and the Fire Committee.
- 4.2 The Fire Chief shall report to the Fire Committee.
- 4.3 The Fire Chief shall have complete responsibility and authority over the Fire Department, subject to the direction of Fire Committee and shall prescribe rules, regulations and procedures for the ongoing organization and administration of the Fire Department, including but not limited to:
- 4.3.1 The use, care and protection of Fire Department Property;
 - 4.3.2 The appointment, recruitment, training, conduct, discipline, duties and responsibilities of the Members of the Department;
 - 4.3.3 The efficient operation of the Department; and
 - 4.3.4 Other duties and responsibilities as assigned by job description, policy or bylaw.
- 4.4 Regulations, rules or standard operating procedures/guidelines made pursuant to this bylaw shall not be inconsistent with the laws of the Province of Alberta or the Laws of Canada.
- 4.5 The Fire Chief shall:
- 4.5.1 Perform and carry out such duties and responsibilities pursuant to any Act or this Bylaw.

- 4.5.2 The assistant to the Fire Chief shall be responsible for performing the duties and obligations of the Fire Chief in the absence of the Fire Chief and shall be the Deputy;
 - 4.5.3 A Fire Chief may without a warrant enter on any land and premises, except a private dwelling house, for the purpose of discharging his or her duties under this bylaw. A Fire Chief may without a warrant, enter a private dwelling house which is on fire and proceed to fight the fire;
 - 4.5.4 Within budget approval and in accordance with any relevant policies, purchase or otherwise acquire Equipment, Apparatus, material or supplies required for the operation, maintenance and administration of the Fire Department to be used in connection therewith; and
 - 4.5.5 Keep or cause to be kept, in proper form, records of all business transactions of the Department, including the purchase or acquisition of Equipment, Apparatus, materials or supplies and records of Incidents attended, actions taken in extinguishing Fires, inspections carried out and actions taken on account of inspections or any other records incidental to the operation of the Department.
- 4.6 The Fire Chief, or in his or her absence, the senior Member present (hereinafter referred to as the "Member in Charge") shall have control, direction and management of any Department Apparatus, Equipment or manpower, assigned to an Incident and, there is a Member in Charge, he or she shall continue to act until relieved by the Fire Chief or the Deputy Fire Chief.
 - 4.7 The Fire Chief or Member in Charge may, at an Incident, at his or her discretion, establish perimeters and keep persons from entering the area within the prescribe boundaries or limits unless authorized to enter by him or her.
 - 4.8 The Fire Chief or Member in Charge may request a Community Peace Officer to enforce restrictions on persons entering within the boundaries or limits outlined in Section 4.7.
 - 4.9 The Fire Chief, or any other Member in Charge at an Incident, is empowered to cause a building, structure or thing to be pulled down, demolished or otherwise removed, if he or she deems it necessary, to prevent the spread of fire to other buildings, structures or things.
 - 4.10 The limits of the jurisdiction of the Fire Chief, Deputy Fire Chief, and Members of the Department, as defined in applicable Mutual Aid and Fire Agreements (and specifically the Fire Protection Agreement), will extend beyond the Corporate Limits.
 - 4.11 The Fire Chief, and anyone acting in his or her absence, is hereby authorized to take whatever action he or she deems appropriate in the event that an emergency situation or emergency circumstance arises that is not addressed in the Bylaw. In the event that the Fire Chief, or anyone acting in his or her absence, takes action under this clause, the action taken shall be limited to those steps necessary to bring the emergency situation or emergency circumstance under control. Anyone taking action under this clause shall make a full report of the particulars to the CAO and the Fire Committee within 24 hours of the commencement of the action taken.

5. POWERS OF MEMBERS

- 5.1 Each Member shall have the authority and power to:
 - 5.1.1 Perform work relating to the extinguishing or controlling of an Incident or the operation to preserve life and Property and enter onto any Property for the purpose of extinguishing or controlling an Incident, at the discretion of the Fire Chief; and
 - 5.1.2 Prevent interference with the efforts of persons engaged in the extinguishing of Fires or preventing the spread thereof by regulating the conduct of the public at or in the vicinity of any Incident.

6. POWERS OF OFFICERS

- 6.1 Officers in charge of an incident shall have the authority and power to:
 - 6.1.1 Commandeer the use of any Equipment for the purposes of responding to, extinguishing, controlling, or fighting an Incident or for the purpose of preserving life or Property;
 - 6.1.2 Perform work relating to the extinguishing or controlling of Fires or the operations to preserve life and Property and enter onto any Property for the purpose of extinguishing or controlling the Incident;
 - 6.1.3 Prevent interference with the efforts of persons engaged in the extinguishing of Fires and preventing the spread thereof by regulating the conduct of the public at or in the vicinity of any incident.

7. FIRE PROTECTION CHARGES

- 7.1 Where the Fire Department has taken action for the purpose of extinguishing a fire or responding to a call, Incident, or False Alarm, within the Corporate Limits, the Town may in its sole and absolute discretion charge:
 - 7.1.1 Any person causing or contributing to the Fire; Incident or False Alarm; or
 - 7.1.2 The owner or occupant of the Property;

A Fire Protection Charge, and all individuals charged are jointly and severally responsible for the Fire Protection Charge; or
 - 7.1.3 In its sole and absolute discretion, the Town may charge any person causing or contributing to a Fire or Incident, or the owner or occupant of the Property where an Incident occurred, a Fire Protection Charge equivalent to the actual insurance proceeds recovered for such Fire Protection Charge or may reduce a Fire Protection Charge that has already levied the amount of actual insurance proceeds recovered for such Fire Protection Charge.
- 7.2 The schedule of fees for Fire Protection Charges are defined in Schedule "G".

- 7.3 Fire Protection Charges shall be paid within 30 days of being levied.
- 7.4 Collection of unpaid Fire Protection Charges may be undertaken by civil action in a Court of competent jurisdiction and any civil action does not invalidate a lien, which the Town is entitled to on the Property in respect of which the indebtedness is incurred.
- 7.5 The owner of a parcel to which Fire Protection is provided is liable for Fire Protection Charges incurred, and the Town may add to the tax roll of the parcel of land all unpaid Fire Protection Charges.

8. CONTROL OF FIRE HAZARDS

- 8.1 If the Fire Chief finds on privately owned land or occupied public land within the Corporate Limits, any condition that is in his or her opinion constitutes a Fire Hazard he or she may direct the owner, occupant or the person in control of the land on which the Fire Hazard exists to reduce or remove the Fire Hazard within a fixed time and in a manner prescribed by the Fire Chief in consultation with the CAO.
- 8.2 If the Fire Chief finds that the clean-up or remediation measures he or she in consultation with the CAO directed pursuant to Section 8.1 has not been carried out, a Designated Officer or a Community Peace Officer may enter onto the lands with any equipment and any person it considers necessary and may perform the work required to eliminate or reduce the Fire Hazard.
- 8.3 The owner or occupant of the land on which work was performed pursuant to Section 8.2 shall, upon demand, pay to the Town a Fire Protection Charge or fee, and in default of payment of the Fire Protection Charge or fee, the Town may add the Fire Protection Charge or fee to the tax roll of the said land, which forms a special lien against the land in favor of the Town, from the date it was added to the tax roll.

9. REQUIREMENT TO REPORT

- 9.1 The owner or occupant of any Property containing a Dangerous Goods Product, which sustains an accidental or unplanned release of dangerous goods, shall immediately report to the Fire Department particulars of the release. The owner or occupant of the Property shall provide such information regarding the release as the Fire Chief may require.

10. FIRE PERMITS

- 10.1 No person shall ignite or cause to be ignited any of the following without a permit:
 - (i) Outdoor fire,
 - (ii) High hazard fireworks, or
 - (iii) A fire within a Recreational Fire Pit.
- 10.2 An application for a Fire Permit shall be made at the Town Office in writing on the form prescribed in Schedules "A", "B", "C", and "D", as appropriate. The CAO, Fire Chief or, in their absence, the Deputy Fire Chief shall receive and consider the application and, after having done so, he or she may, in his or her absolute discretion, issue to the applicant a Fire Permit.

- 10.3 Each application for a Fire Permit must be accompanied by the appropriate fee and must contain information set out in Schedule "A", "B", "C", and "D", as appropriate. A Fire Permit is not transferrable.
- 10.4 When issuing any Fire Permit, the CAO, Fire Chief or, in their absence, the Deputy Fire Chief may impose conditions considered appropriate.
- 10.5 A Recreational Fire Pit Permit issued pursuant to this Bylaw is valid indefinitely unless the Recreational Fire Pit is altered or moved, or unless the Recreational Fire Pit Permit is suspended or cancelled pursuant to the provisions of this Bylaw.
- 10.6 The CAO, Fire Chief or, in their absence, the Deputy Fire Chief may, in his or her absolute discretion, suspend or cancel any Fire Permit at any time. A Fire Permit may be suspended or cancelled as follows:
- (i) By advising a permit holder in person or by telephone, in which case the Fire Permit will be suspended or cancelled effective immediately or such later date as specified in the notice;
 - (ii) By delivering a notice to the permit holder by facsimile transmission or by e-mail, in which case the Fire permit will be suspended or cancelled effective 24 hours after transmission of the notice or such later date as specified in the notice;
 - (iii) By delivering a notice to the permit holder by regular mail, in which case the Fire Permit will be suspended or cancelled effective 5 days from the date such notice is mailed or such later date as specified in the notice.

11. FIREWORKS

- 11.1 No person shall sell Fireworks without first obtaining a Fireworks Sales Permit.
- 11.2 An application for a Fireworks Sales Permit shall be made at the Town Office in writing on the form prescribed in Schedule "E". The CAO shall receive and consider the application and, after having done so, he or she may, in his or her absolute discretion, issue to the applicant a Fireworks Sales Permit.
- 11.3 Fireworks Sales Permits shall only be issued for the sale and storage of Consumer Fireworks.
- 11.4 Each application for a Fireworks Sales Permit must be accompanied by the appropriate fee and must contain information set out in Schedule "E" appropriate. A Fireworks Sales Permit is non-transferrable.
- 11.5 Without limiting the foregoing, all persons engaged in the sale, storage, handling, or transportation of fireworks shall comply with the *Explosives Act* and the *Explosives Regulation*.
- 11.6 No person shall use any Consumer Fireworks within the Corporate Limits of the Town.
- 11.7 No person shall use any Display Fireworks within the Corporate Limits of the Town without first receiving a Fireworks Display Permit as set out in Schedule "D".

12. FIRE BAN

12.1 Notwithstanding any provision in this or any other Bylaw, the Fire Chief may upon receiving input from the CAO, Manager of Fire & Emergency Services, Fire Committee or council, declare a Fire Ban on burning of any kind within the Town. In the absence of the CAO and the Fire Chief, the Mayor, acting on the recommendation of the County of Newell Fire Chiefs, the Fire Committee or council (collectively) may also declare a Fire Ban within the Corporate Limits.

12.1.1 Three categories of Fire Bans may be implemented:

- (i) A Fire Advisory - Fires are allowed but public warning advising of extreme caution is issued. This level is a warning and may be upgraded to a Fire Restriction or Fire Ban if conditions do not improve.
- (ii) A Fire Restriction - No fires except for approved gas or propane cooking appliances or portable propane fire pits or campfires in designated fire sites within approved campgrounds.
- (iii) A Fire Ban - No fire, except for approved gas or propane cooking appliances.

12.2 When determining whether to declare a Fire Ban, Fire Restriction, or Fire Advisory, consideration shall be given to the following factors:

- (i) Levels of recent precipitation,
- (ii) Future weather forecasts,
- (iii) Water shortages or restrictions,
- (iv) Availability of firefighting crews, equipment and apparatus,
- (v) The overall fire danger including fire load, abundance of ground fuels, and fine fuel moisture content, and
- (vi) The amount of or increase in recent outside fires.

12.3 The Town authorizes the CAO, Fire Chief, or Mayor (in the absence of the CAO and Fire Chief) the authority to remove any Fire Ban when conditions warrant, taking into account the considerations in Section 12.2 above.

12.4 When a Fire Ban is in effect, any person who contravenes the ban may be subject to the fines of doubled the amount established within this Bylaw.

12.5 When a Fire Ban is declared, the Fire Ban will be advertised locally and posted on the Alberta Fire Ban website.

13. RECREATIONAL FIRE PITS

13.1 A Person may build, ignite, or allow a fire on a Premises in a Recreational Fire Pit as long as that Person ensures that the fire is contained in a Recreational Fire Pit that:

- (i) Is constructed of non-combustible material;

- (ii) Has an open flame that does not exceed 1 meter at its widest point;
 - (iii) Does not have walls which exceed 0.75 meters in height measured from the floor of the Recreational Fire Pit to the top of the wall of the Recreational Fire Pit excluding any chimney;
 - (iv) Is set upon or built into the bare ground or a non-combustible material such as brick or stone;
 - (v) Is situated at least 4 meters from any house, garage or similar structure including wooden decks, porches and similar amenity space attached to a structure measured from the part of the Recreational Fire Pit which is closest to the structures or amenity space;
 - (vi) Is situated at least 4 meters from any other combustible material measured from the part of the Fire Pit which is closer to the combustible material; and
 - (vii) Is not located directly under any tree or overhanging branches.
 - (viii) It shall be at the discretion of the Fire Chief or his or her designated officer to grant a Recreational Fire Pit permit on a Premise whose lots dimensions do not meet the defined setback requirements.
- 13.2 Notwithstanding subsection (13)(v), a Person may build, ignite or lite a fire in a Portable Fire Receptacle on the wooden deck as long as that Person ensures that:
- (i) A non-combustible material such as brick or stone is placed between the Portable Fire Receptible and the wooden deck; and
 - (ii) The Portable Fire Receptacle is situation at least 4 meters from any house, garage, similar structure or other combustible material, measured from the part of the receptacle which is closest to the structure or combustible material.
- 13.3 Every person who builds, ignites or allows a fire in a Recreational Fire Pit must ensure that:
- (i) A means of extinguishing the fire is kept on hand at all times while the fire is burning;
 - (ii) The flames from the fire do not exceed 1 meter in height at any time;
 - (iii) The fire is not left unsupervised at any time;
 - (iv) The fire is extinguished completely, leaving only cold ashes, prior to leaving the fire; and
- 13.4 If in the opinion of a Fire Chief or Designated Officer, a fire poses a danger or does not comply with the requirements of this Bylaw, that Fire Chief or Designated Officer may extinguish the

fire and take any other steps that Fire Chief or Designated Officer deems necessary to ensure that the fire and site of the fire no longer pose a danger or contravene the requirements of this bylaw.

13.5 A Person may use an outdoor propane appliance or gas fire pit on their Premise. The use of the propane appliance or gas fire pit during a Fire Ban will be at the discretion of the Fire Chief or his or her designated officer.

13.6 A permit is not required for outdoor propane appliance or an outdoor gas fire pit.

14. CIVIC ADDRESSING

14.1 For the purpose of maintaining public safety, every legally registered parcel of land within the Town that is bordered by identifiable roads, shall be designated an Address Number by the Town.

14.2 The owner of a property shall cause the Address Number assigned to the property to be displayed, at all times, at a location plainly visible from the roadway to which the property is addressed.

14.3 The owner of a property which has access to a lane shall, in addition to complying with Section 14.2, cause a rear address to be displayed when the property has a rear garage, or shed, or fence within 15.0 meters of the back lane. The rear Address Number shall meet the same display requirements as the front address number.

14.4 The owner of a property located in an industrial or commercial district as designated in the Town's Land Use Bylaw, shall cause the Address Number assigned to the property to be displayed, at all times, at the front property line adjacent to the main entrance of the property.

14.5 The Address Number in rural areas shall be affixed in a conspicuous place, either:

- (i) On a sign adjacent to the driveway at the property line, or
- (ii) On the main or paper delivery box.

14.6 All Address Numbers required to be displayed pursuant to this Bylaw shall be displayed, at all times, in a conspicuous manner so as to be plainly visible from the adjacent roadway or lane, as the case may be.

14.7 The owner of a property shall maintain the Address Number in good condition and shall not cause, allow, or permit the visibility, as required pursuant to this Bylaw to be obstructed.

14.8 The Address Number required to be displayed pursuant to this Bylaw shall be on a contrasting background. The minimum size of the characters shall be as follows:

Distance of Building Setback from Adjacent Curb Line	Minimum Character Size
0-15 Meters (0-49.2 feet)	10 cm (4 inches)
15-20 meters (49.2 – 65.6 feet)	15 cm (6 inches)
Greater than 20 meters (65.6 feet +)	20 cm (8 inches)

- (i) Address Number signs shall have a surface of no more than 0.3 square meters (3.30 square feet).
 - (ii) For multi-dwellings, one Address Number sign not exceeding 1 square meter (10.76 square feet) in area shall be allowed on each property.
- 14.9 No person shall display or permit the displaying of any Address Number of a property other than the number assigned by the Town.
- 14.10 No person shall remove, deface, obliterate or destroy the Address Number placed upon or affixed to any property in accordance with this Bylaw, except during the demolition or exterior renovation of a building. During demolition or exterior renovations, a temporary Address Number shall be posted in a visible location on the property.
- 14.11 The owner of a parcel of land which is a construction site, and for which a structure is being erected shall ensure that a temporary Address Number is displayed at all times in a conspicuous manner so as to be plainly visible from the adjacent roadway or lane, as the case may be.
