## Message from the Mayor and Council

February 10, 2021

For over a century, Canadians have relied on census data to tell them about how their country is changing and what matters to them. We all depend on key socioeconomic trends and census analysis to make important decisions that have a direct impact on our families, neighbourhoods, and businesses. In response to the COVID-19 pandemic, Statistics Canada has adapted to ensure that the 2021 Census is conducted throughout the country in the best possible way, using a safe and secure approach.

Statistics Canada will be [hiring approximately 32,000 people](#) across the country to assist with census collection.

The Council of the Town of Bassano supports the 2021 Census and encourages all residents to complete their census questionnaire online at [www.census.gc.ca](http://www.census.gc.ca). Accurate and complete census data support programs and services that benefit our community.
