

## Bassano Community Consultation

### What is a Community Consultation?

The purpose of this Community Consultation is to provide individuals and groups in the Town of Bassano and County of Newell served by the Bassano RCMP Detachment the opportunity to have input into setting priorities for the police in the upcoming years.

This will form the basis of a planning initiative that will identify activities and resources necessary to achieve outcomes that will not only meet community expectations but will in an effective and efficient manner enhance the safety and security of citizens.

### Who should attend?

Everyone is welcome! Anyone who has an interest in helping make Bassano and region a safer place in which to live, work, learn and play are welcome. Rural and city residents, business owners, government (municipal and county), school boards, youth and youth groups, special interest (cultural or ethnic), health care providers (including Fire/EMS), seniors, Provincial Sheriffs and Bassano Detachment are all welcome to attend.
