Private and Adult Lessons

Private and semi-private lessons are intended for swimmers who need some focused attention in an area of their swimming or for those who are unable to complete a skill which is preventing them from passing a level. Our instructors will be able to dedicate 100% of the lesson time to helping your swimmer work to achieve their swimming goals.

Private lessons can be booked for one swimmer and have a rate of \$30 per session. Semi-private lessons are for two to three swimmers and have a rate of \$50 per session.

August 12-16	12—1 P.M.

Registering in adult swimming lessons is an excellent way to work on your swimming skills. Whether you'd like to refine your front crawl technique or to simply get more comfortable being in the water, adult lessons can help you swim like a fish in no time!

Up to 5 people can be registered in each lesson set.
