### **ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT**

#### **NOTICE OF APPLICATION**

*(legal location revised/corrected 15/08/24)*

In accordance with the Environmental Protection and Enhancement Act, RemedX Remediation Services Inc. has applied to Alberta Environment and Protected Areas for an approval to construct and operate a new Class II Industrial Landfill. The proposed landfill will accept solid non-hazardous industrial wastes, primarily generated in the oil and gas industry as a result of drilling, operations, and decommissioning activities. The landfill is located in the County of Newell in SW quarter of Section 04, Township 023, Range 18, West of the 4th Meridian, approximately 100 km east of Calgary.

A directly affected person may provide input into certain regulatory decisions, as allowed by the Environmental Protection and Enhancement Act (section 73). Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Fax: (780) 422-0154  
E-mail: [aep.epeapplications@gov.ab.ca](mailto:aep.epeapplications@gov.ab.ca)

The written statement of concern should include the following:

- the application number 001-500888
- describe concerns that are relevant to matters regulated by the Environmental Protection and Enhancement Act
- explain how the filer of the concern will be directly affected by the activities proposed in the application
- provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- state the distance between the land owned or used by the filer and the site in the application
- contact information including the full name and mailing address of the filer. Please provide a telephone number and/or email address for ease of contact.

Environment and Protected Areas will review each written statement of concern, seek more information if needed, and notify each filer by letter of the decision to accept or reject their written submission as a valid statement of concern. The Public Notice of this application will also be posted on the Department's website at <https://avw.alberta.ca/PublicNoticesViewer.aspx>.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.
