The Development authority has **APPROVED** the following application:

File:	Development Permit TOB-D-27-24
Description of Development:	24'x24' Accessory Structure
Land Use Designation:	Residential (R1)
Publication Date:	August 18, 2024

Reason for Approval:

In making this decision, the Development Authority has determined the proposed development to be suitable at this location in accordance with Land Use Bylaw 921/21.

Conditions of the Development

To allow for a 24'x24' accessory structure (garage) per the Development Permit Application, narrative, and site plans received on August 16, 2024 with the following conditions:

Conditions

1. That the development proceeds as specified with all the documents submitted in the Development Permit Application received on August 16, 2024.
2. Any changes to approved drawings or development matters requires the written approval of the Development Officer.
3. The proposed development shall conform with all Federal, Provincial and Municipal statutes, regulations, codes, and standards except as waived in writing by the appropriate authority.
4. Any future development (demolition or new) must comply with the Town's Land Use Bylaw which is subject to change from time to time.
5. All underground utilities shall be marked prior to construction to ensure there is no interference.
6. A civic address must be affixed to the front and rear of the property in accordance with Fire Bylaw 931/23.

7. Prior to connecting to any municipal utility system, the application must provide a servicing plan to the development officer. It is understood that the accessory structure will be unserviced (water or sewer) at this time.
8. A maximum of two (2) accessory structures over 100 square feet and a maximum of one (1) accessory structure under 100 square feet are allowed per lot.
9. All contractors, subcontractors, and tradespeople must have an active business license with the Town.
10. Plan 3158AB; Block 14; Lot 14 must be kept in an aesthetically pleasing manner as defined in the Beautify Bassano Initiative and respective bylaws.
11. Construction materials and debris shall be contained on the property. Loose material shall be weighted to prevent debris from blowing around. All garbage shall be picked-up daily onsite to ensure aesthetics and public safety.
12. Any damage to municipal property shall be repaired to the town standard at the cost of the developer.
13. Construction equipment and crews shall not interfere with adjacent properties. This includes the parking of equipment.
14. Noise shall be contained within hours set in the Town's Community Standards Bylaw 920/21 s. 4.3 – "No person shall cause or allow noise to emanate from a property they own or occupy that annoys or disturbs the peace of another person between the hours of 11:00 p.m. and 7:00 a.m."

Development permits are valid for one-year from the date of the Notice to Commence development.
