Conditions of the Development

To allow for 3,131ft² storage facility per the Development Permit Application, narrative, and site plans received on September 4, 2024 with the following conditions:

Conditions

1. That the development proceeds as specified with all the documents submitted in the Development Permit Application received in its entirety on September 4, 2024.
2. Any changes to approved drawings or development matters requires the written approval of the Development Officer.
3. The proposed development shall conform with all Federal, Provincial and Municipal statutes, regulations, codes, and standards except as waived in writing by the appropriate authority.
4. Any future development (demolition or new) must comply with the Town's Land Use Bylaw which is subject to change from time to time.
5. Utility Connection – municipal utility connection to this building is not permitted without approval from the municipality.

6. Site Drainage, Access, and Approaches – drainage shall not impede adjacent properties. Grade shall be sloped to the alley. Prior to constructing any additional approaches off 10th Street, design approval must be provided by the Town’s Public Works Supervisor.
7. Parking: all parking stalls shall be visibly marked to ensure orderly parking of vehicles.
8. Outdoor lighting is to be mounted no higher than 6.1 meters (20 feet) above ground. Where site lighting is provided to illuminate any parcel, building or site, the type, location and orientation of the lighting shall:
 - a. Avoid light trespass onto neighboring properties including public properties;
 - b. Not produce a glare;
 - c. Not interfere with traffic safety on public roadways.

Exterior building lighting specifications must be provided to the Town for approval prior to installation.

9. Outdoor storage: no outdoor storage is permitted onsite without prior approval from the Town.
10. Signage: building signage was not included as part of this application.
11. Landscaping: crushed gravel is acceptable for ground cover and landscape.
12. Construction materials and debris shall be contained on the property. Loose material shall be weighted to prevent debris from blowing around. All garbage shall be picked-up daily onsite to ensure aesthetics and public safety. The contractor is permitted to have one dumpster onsite, dumped regularly to prevent nuisances.
13. Noise shall be contained within hours set in the Town’s Community Standards Bylaw 920/21 s. 4.3 – “No person shall cause or allow noise to emanate from a property they own or occupy that annoys or disturbs the peace of another person between the hours of 11:00 p.m. and 7:00 a.m.”
14. A civic address must be affixed to the front, rear, and side of the property in accordance with Fire Bylaw 931/23.
15. Underground utilities must be located prior to construction. Click Before You Dig. Seven days advance notice shall be provided to the Town’s development officer for tie-ins to the municipal service. Tie-ins shall occur during regular business hours of the Town to the standard of the town.
16. Any open excavation during construction must be secured.
17. Any damage to municipal property shall be repaired to the town standard at the cost of the developer.

18. All contractors, subcontractors, and tradespeople must have an active business license with the Town.
19. Plan 7922; Block 30; Lot 4 must be kept in an aesthetically pleasing manner as defined in the Beautify Bassano Initiative and respective bylaws.

Development permits are valid for one-year from the date of the Notice to Commence development.
